² Information reported by the Office of the Governor's Fiscal Year (September 1st through August 31st)

All PIR/FDTC Participants' Discharge Outcomes (2/18/08-1/7/16)

	All Discharged PIR/FDTC Participants		All Discharged PIR/FDTC Participants excluding Neutral Discharges	
<i>All</i> ³	166	100%	149	100%
Discharged <i>Successful</i>	76	46%	76	51%
Discharged <i>Unsuccessful</i>	73	44%	73	49%
Discharged <i>Neutral</i> ⁴	17	10%	N/A	N/A

**All PIR/FDTC Participant's Discharge Outcomes
by Office of the Governor's Fiscal Year (Sept 1st – Aug. 31st)**

Discharged Participants ⁵	Program Discharges Year 3 FY 2010		Program Discharges Year 4 FY 2011		Program Discharges Year 5 FY 2012		Program Discharges Year 6 FY 2013		Program Discharges Year 7 FY 2014		Program Discharges Year 8 FY 2015	
	All Discharged Participants	31	100%	19	100%	26	100%	22	100%	20	100%	24
Discharged Successful	10	32%	9	47%	14	54%	17	77%	7	35%	11	46%
Discharged Unsuccessful	16	52%	8	42%	10	38%	4	18%	11	55%	11	46%
Discharged Neutral	5	16%	2	11%	2	8%	1	5%	2	10%	2	8%

The data charted above indicates an overall successful completion rate of 48% for 6 years

³ This includes all participants enrolled from inception of the program to 1/7/16. These totals do not include participants who moved out of county or who were discharged in 30 days or less (15 participants over 8 years fall into these categories- 7 moved out of county and 8 were discharged in 30 days or less)

⁴ Neutral discharges occur when the child protective services lawsuit ends before the participant is discharged from drug court – this could occur as the result of a mediated agreement, dismissal, or similar outcome

⁵ The discharged participants listed here exclude years 1 and 2. These totals do not include participants who moved out of county or who were discharged in 30 days or less (15 participants over 8 years fall into these categories- 7 moved out of county and 8 were discharged in 30 days or less)

Permanency Outcomes for PIR/ FDTC Children

Permanency Outcomes for all Children 2/18/08 – 1/7/16				
	PIR/FDTC discharges		PIR/FDTC Graduates/ Successful discharges	
<i>All Children with Final Orders</i>	227 ⁶	100%	116 ⁷	100%
Permanency with parent	129	57%	110	95%
Permanency with relatives or other parent (not FDTC or control participant) without termination of parental rights	50	22%	4	3%
Adoption by relatives with termination of parental rights	29	13%	0	0%
Unrelated/ Non-kin adoption with termination of parental rights	19	8%	2	2%

Children Born to Active and Discharged PIR/ FDTC Participants (2/18/08-1/7/16)

	PIR/FDTC Graduates/ Successful Discharges (n = 67 women)	PIR/ FDTC Unsuccessful and Neutral Discharges (n = 75 women)
Number of Drug Positive Births During PIR/ FDTC Participation	0	0
Number of Drug Negative ⁸ Births During Open Lawsuit	5	6
Number of Drug Positive Births After Lawsuit Closed ⁹	0	11 (2 former participants delivered 2 babies in this category)
Number of Drug Negative Births After Lawsuit Closed ¹⁰	6	6 (1 former participant delivered 2 babies in this category)

⁶ These are children whose parents have been discharged from the PIR/FDTC either successfully, unsuccessfully, or neutrally. All lawsuits have had final orders entered. This number does not include children who are served by the program but not on the original petition and children who are currently being served with no final orders or permanency resolution to the child welfare lawsuit.

⁷ 10 of these children had one parent successfully complete the program but the other parent did not. They are still counted in these totals.

⁸ Negative birth is defined as no confirmed usage of drugs or alcohol either by self-report or positive test during the third trimester of pregnancy

⁹ Statistic may not capture all data – only information reported to CPS or the PIR/FDTC management team or as confirmed through new child welfare lawsuits in Travis County could be captured here.

¹⁰ Statistic may not capture all data – only information reported to CPS or the PIR/FDTC management team or as confirmed through new child welfare lawsuits in Travis County could be captured here.

Recidivism Rates – New Child Welfare Lawsuits Filed in Travis County
(2/18/08 – 1/7/16)

Recidivism – New Child Welfare Lawsuits Filed in Travis County¹¹				
	PIR/FDTC Successful Discharges	Percentage	PIR/FDTC Unsuccessful & Neutral Discharges ¹²	Percentage
All Families (Parents and Children) with Final Orders	66 ¹³	100%	65	100%
No New Child Welfare Lawsuits in Travis County	49	74%	49	75%
New Child Welfare Lawsuit in Travis County	17	26%	16	25%
New Child Welfare Lawsuit within less than 1 year	10	15%	5	7%
